NEIGHBOUR CARE NETWORK

The Neighbour Care Network (NCN) provides care and support through trained volunteers who come alongside you and your family during times of difficulty or transition.

These volunteers act as encouraging guides or mentors, helping you navigate challenges with compassion and understanding. They work with you to identify available resources, provide direction and support, and help you take meaningful steps toward achieving your goals. Their aim is to help you move toward a more stable, sustainable situation and improve your overall health and well-being.

If you or someone you know needs support, visit kerrstreet.com to apply for resources and email Paula at paula@kerrstreet.com for more information on how NCN can support.
